

KAVEESH GOONASEKARA

Network Engineer

DETAILS

- **Email:** kaveeshgoonasekara@gmail.com
- **Phone:** +94742217693
- **Location:** Sri Lanka

SOCIAL LINKS

- **GitHub:** github.com/KDIAS-JR7
- **LinkedIn:** linkedin.com/in/kaveesh-g-aa3946115/

SKILLS

- Network Security
- Cisco Routing
- LAN/WAN Design
- Ansible Automation
- Network Design
- Cisco Networking

EDUCATION

BSc. Hons Information Systems Sabaragamuwa University, Sri Lanka

CERTIFICATIONS AND LICENSES

CCNA: Cisco Certified Network Associate

PROJECTS

L3-InterVlanRouting-JR7

- **Description:** Implementation and configuration of Layer 3 Inter-VLAN routing solutions to enable secure and efficient communication across distinct virtual local area networks.
- **Repository:** github.com/KDIAS-JR7/L3-InterVlanRouting-JR7

GNS3-Topology-JR7

- **Description:** Design and simulation of complex enterprise network architectures and routing topologies utilizing the GNS3 network emulation environment.

- **Repository:** github.com/KDIAS-JR7/GNS3-Topology-JR7

Ansible-JR7

- **Description:** Infrastructure-as-Code development utilizing Ansible playbooks to automate network configurations, system administration tasks, and deployment workflows.
- **Repository:** github.com/KDIAS-JR7/Ansible-JR7
